### CASEY HAD NOTHING ON US

ALL A BO-O-O-ARD for the gravy train! We're going to 'ball that jack into the never-never land, where candy grows on bushes and there's pie in the sky for all hands.

If we aren't derailed, that is.

Congress has already authorized 64 billion dollars for defense and forces of Curacao, similar consulta- parental dictation. new Presidential requests for five or six billion at a crack are scarcely ation with the United States in the Page One news any more.

The farm lobby has kicked its old goal of "parity" into the boneyard and raised its sights to loftier levels.

The labor lobby turns purple with indignation at suggestions that phus Andrews commissions new U.S. What's become of all those rich shoppers, threatening to crush their wages be limited along with prices.

Congressional logrollers have put through a pork-barrel highway "The purpose of this ship is to bill and are pressing for a colossal rivers-and-harbors grab that includes fight-you are going into active the Florida Ship Canal and practically every other high-priced pro- service. ject ever dreamed up by vote-minded legislators.

New Deal officials resign from office and make a cleaning, peddling their influence to contract-seekers.

Millions upon millions are wasted in hurry-up government building projects. Labor-union treasuries grow fat on the tribute extorted from workers on cantonments.

And now comes the veterans' lobby again, with two pension bills | \*\*\*\*\*\*\* the eventual cost of which has been estimated at 10 billion dollars--nearly all of it to go to veterans, and dependents of veterans, who could claim no service-connected disabilities. The House has already passed these bills. Now a Senate committee is holding hearings.

Aid for England, aid for Russia, aid for China, aid for the farm- Board. They do not have to ac- wife's mad at you, she's just an- arriving guests, regardless of sex ers, for labor, for the veterans of past wars, for the aged and the blind, cept its decisions but we need them noved because she held such rotten or social position. It is always a womaid for big business and little business, aid for everybody except the multitude of unorganized and inarticulate citizens who are left in the The N.D.M.B. has 11 members and A local kid drew this distinction it is her place to extend her hand pay taxes? middle.

And where is it all going to end?

Let there be no doubt about that. If this gimme-gimme business, other agencies to handle and conthis roughshod race of pressure groups for multi-billion special favors, is firms the report. not curbed—and there is precious little indication that Congress has the courage to curb it then this gravy train of ours is not going to make steps are taken. that curve ahead.-Pittsburgh Press.

Federal spending is now at the rate of \$2,000,000,000 a month. The tances. We have people around here fact that there is that much money in the United States must be a great temptation to Hitler.

Science announces a hybrid popcorn that bursts into grains the Every time a German plane warms size of a cream puff. Perhaps soon theater goers will not have to rattle up they put on another arm-band badly in need of a meal. the sack to extract the delicacy.

Uncle Sam's battleships are now sliding down the ways six months reading up on it. ahead of schedule. There is a growing realization that the Nazis do not recognize schedules when they decide to strike.

### The Parent ! Problem

By Garry C. Myers, Ph. D.

FREE SPEECH IMPORTANT FOR

One of the largest elements of personality is speech. He who speaks clearly, effectively, comfortably is, to that degree, a likable

Self-consciousness hampers one in speech and renders one less easy to listen to, and less attractive. Such handicaps also impair one's think-

children of their own should cultivate ease and effectiveness in speech and should continue this after they become parents.

In the presence of an infant and growing child try to employ good models of speech. When he begins to use formal language, be patient and appreciative. Don't let yourquestions and remarks. You should to cause him to be self-conscious about speech and you should pro-

Top of the month to you folks . . . here it is December and

women who bought fur coats . . . but something tells us that a good old fashioned storm is just around the corner . . . you guess You are busy . . . we all know . . . but can't you take few moments and write a letter to a boy in Camp. Your letters will mean so much . . . tell him about the things that are going on in town or

If you can't do anything better . . . write him your latest story And talking about stories . . . every paper or magazine that you pick up contains a story about the way a wife treats her husband when he starts to tell a story in public. How does you wife treat you? Does she laugh at your wit or does she change the subject before you have a chance to bring the story to a climax? Well, the next time you start to tell a story check and see what happens . . . it's something to do . . . but don't let on that you got the idea

This is party month . . . nice quiet parties . . . sort of working up to the big doings on New Years Eve and New Years Day itself. Plan your parties well, local merchants have the foods that will make your party one that will be outstanding in the minds of your guests. Let's all have a pleasant time this season . . . We have a lot to think about . . . FREEDOM. Where else can people go

By MESEEALL

Christmas is just around the corner. The weather feels and looks

more like spring than anything we can think of right at present. Maybe this portion of the United States is over the winter season

. . . maybe it will stay this way until May . . . be rather tuff on the

about your friends that he knows . . . or that the dog is sick . . .

he is interested in what you are doing. Time at times grows heavy for the lads and letters from friends seem to fit in rather neatly.

... laughter is a very great help to all.

Read the classified ad page daily . . . there will be savings for all. Just try it once and you won't miss it when you really want to save cash. This page works day and night and the cost is very little . . . twenty words for 40 cents. Stop in and try a little ad.
